IV. Critically analyse and answer any **one** of the following questions in about **150** words.

23. Partition literature is a powerful reminder of the human cost of conflict and the importance of peace and reconciliation. Discuss.

24. Present the main arguments in the given passage in not more than two sentences and attempt a one-page critical note on the passage.

The poverty of the fisher folk was a result of the caste system. They were considered to be low-caste, and they were treated as second-class citizens. They were denied access to education and jobs, and they were often exploited by the upper castes.

25. Discuss the writings of Indian Diaspora and its relevance with the following passage.

Their new life in America was a series of adjustments, accommodations and losses. They had to learn a new language, a new culture, a new way of life. They had to leave behind their old friends, their old community, their old way of being. It was a difficult and painful process, but they persevered.

(1 × 10 = 10 Marks)
